

SPONSORED PROJECT PARTICIPANT CERTIFICATION

The purpose of this form is to document the non-compensatory nature of participant payments made to or on behalf of participants in a sponsored workshop, conference, seminar, symposia or other short term training or information sharing activity. Participant expenses are incurred solely to fulfill the goals of a specific sponsored project. Participant expenses usually are travel costs associated with attendance at the sponsored workshop, conference, seminar, symposia or other short-term training or information sharing activity.

Participants are not required to perform any services other than attending and being engaged in the sponsored event or activity. Participants may be trainees where the participant is the primary beneficiary of the sponsored activity rather than NAU or a third party.
